

La Exploración Espacial

La Luna

Carlos González

*Ex Jefe de Operaciones y Director adjunto del Complejo de Comunicaciones con
el Espacio Profundo de NASA en Madrid. Robledo de Chavela
Medalla NASA por Servicio Público Excepcional*

A satellite is shown in orbit around the Earth. The satellite is a small, dark, spherical object with a bright blue and white reflection on its surface. It is connected to the Earth by a thin, dark line representing the orbital path. The Earth is a large, blue and white sphere with visible continents and oceans. The background is a dark, black space.
